# THE JANUARY CLEARANCE COMPRISES A GROUP OF SALES

Remarkable success has characterized this clearance just because you get bigger reductions than have ever before been accorded on goods of similar character.

All Moses Quality at January Prices. The Seventh Floor Furniture Sale forms the chief of the group. We have gathered into this "Bargain Room" the furniture discontinued by the factories, the patterns that we shall no longer

carry in stock, and the odd pieces that have accumulated from time to time—all to be sold "as is." This BARGAIN ROOM will be featured. As these pieces are sold others are put in their places, and we hope by this means to effect a rapid and thorough clearance.
